HUNGARIAN RUMMY DIPLOMA HRD

GAME OF RUMMY IN THE ETHER. NEW FORM WITH NEW RULES AND CONDITIONS.
Effective from September 1, 1972.
In 1960 the Central Radio Club of Hungary issued a new kind of certificate of achievement which was called Rummy game in the ether. At the request of our many radioamateur friends all over the world the Hungarian Radioamateur Society decided to modify the rules of the HUNGARIAN RUMMY DIPLOMA (HRD). The new rules are in force from September 1, 1972.
The main point of the game is that the certificate can be obtaine by having special QSL-s which were asked for as R/a or R/b and suit during two-way contacts with HA and HG stations who take part in the game.
